

# Open Access Publishing at Springer

Lauren Kim, Springer Korea  
Editor, Medicine Books & Journals

## Presentation overview

- Open Access
- Open Access options with Springer
- Springer Author Academy
- Contact a Springer publishing editor

## Publish open access with Springer

Publishing open access makes your work immediately and permanently available online for everyone, worldwide.

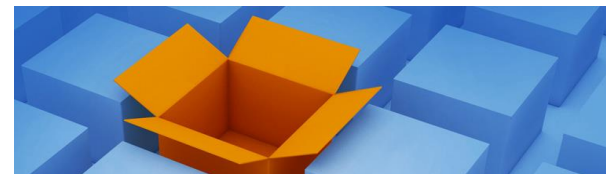

## Why should you publish open access?

- High visibility
- Easy compliance with open access mandates
- Reuse and immediate deposit of final article in any repository
- Authors retain the copyright to their work

## What open access options does Springer offer?

- Open Choice
- SpringerOpen
- BioMed Central
- Chemistry Central

## Open Choice

- Open Choice program allows authors to publish open access in the majority of Springer's subscription-based journals
  - ❖ If authors choose open access in the Springer Open Choice program, the copyright remains with them, the authors of the article
  - ❖ You can decide to publish your article with open access during the *MyPublication* process

## Open Choice

### ❖ Identification of open access article

## SpringerOpen

- Portfolio of over 195 peer-reviewed, fully open access journals and more than 50 open access books

- ❖ SpringerOpen journals

Journal portfolio covers all areas of science, technology, medicine, the humanities and social sciences

The screenshot shows the homepage of the journal "Maxillofacial Plastic and Reconstructive Surgery". The page features a search bar at the top right with a dropdown menu set to "this journal" and a "Go" button. Below the search bar is a navigation menu with links for "Home", "Articles", "Authors", "Reviewers", "About this journal", and "My Maxillofacial Plastic and Reconstructive Surgery". The main content area is divided into several sections: "Editor-in-Chief" (Seong-Gon Kim, Gangneung-Wonju National University), "Associate Editor" (Tae-Geon Kwon, Kyungpook National University), "Society affiliations" (KAMPRS and KOFST), and "Aims & scope". The "Aims & scope" section includes a cover image of the journal and text describing its focus on clinical and basic researches in maxillofacial plastic and reconstructive surgery. On the right side, there is a Springer logo and a vertical column of buttons for "Submit a manuscript", "Register", "Sign up for article alerts", "Contact us", and "Follow @SpringerOpen".

### ❖ SpringerOpen books

High visibility

All book types accepted

Author retains copyright (CC BY-NC)

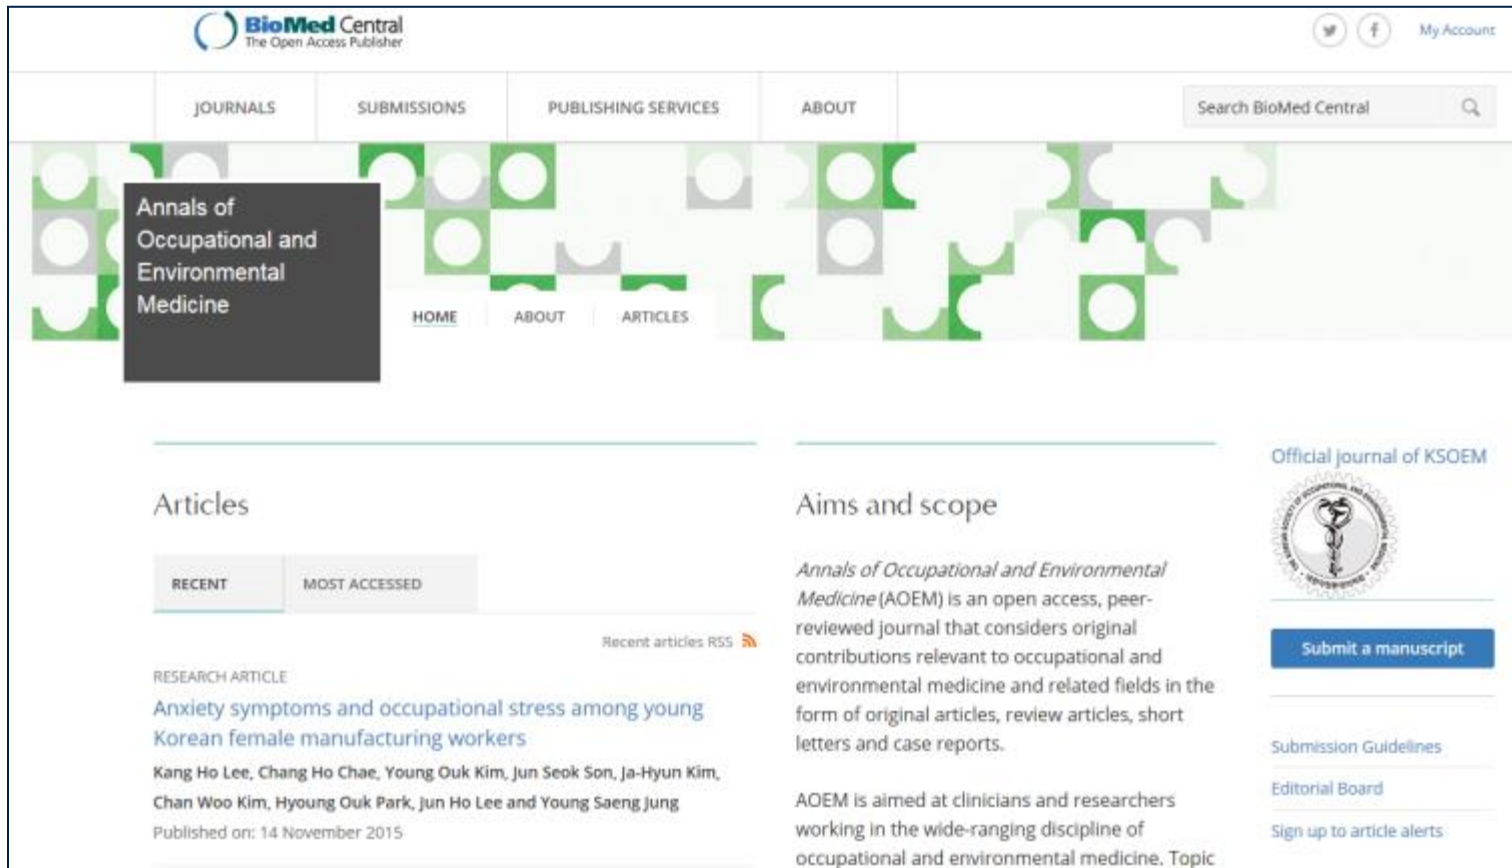

Print edition available

### ❖ Open access membership program

Together with BioMed Central, Springer offers an open access membership program, which enables academic and research institutions, societies and funders to actively support open access

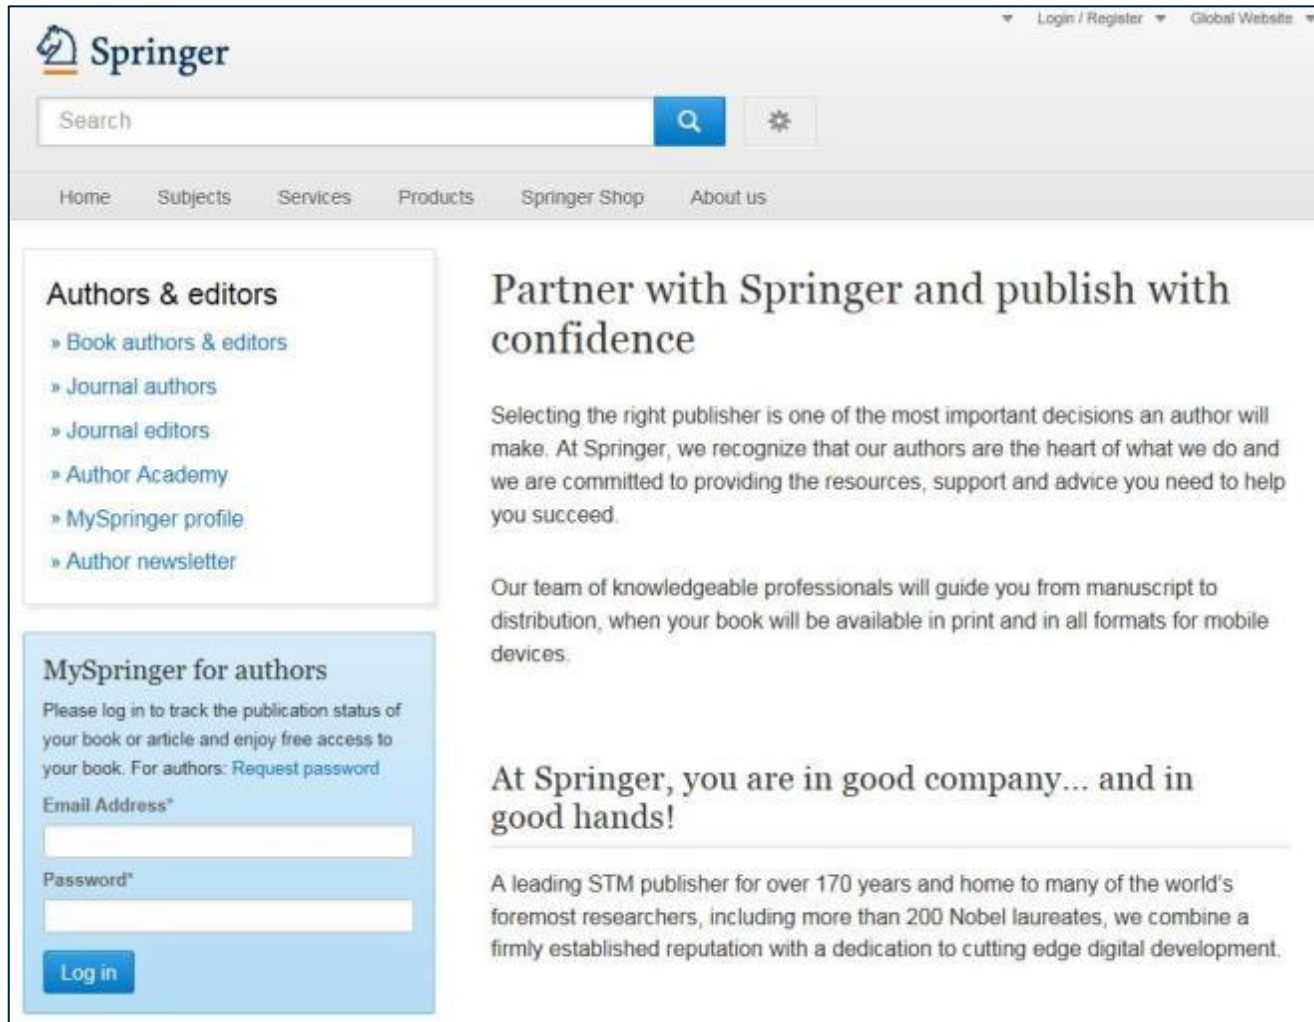

## BioMed Central

- The Pioneer in Open Access Publishing
- BioMed Central offers you an established portfolio of over 270 open access journals in the fields of biology, biomedicine and medicine

The screenshot shows the BioMed Central website interface for the journal *Annals of Occupational and Environmental Medicine*. The top navigation bar includes links for JOURNALS, SUBMISSIONS, PUBLISHING SERVICES, and ABOUT, along with a search bar and social media icons. A dark overlay box highlights the journal title. Below the navigation, there are sections for 'Articles' (with 'RECENT' and 'MOST ACCESSED' tabs) and 'Aims and scope'. The 'Articles' section features a recent article titled 'Anxiety symptoms and occupational stress among young Korean female manufacturing workers' by Kang Ho Lee, Chang Ho Chae, Young Ouk Kim, Jun Seok Son, Ja-Hyun Kim, Chan Woo Kim, Hyoung Ouk Park, Jun Ho Lee and Young Saeng Jung, published on 14 November 2015. The 'Aims and scope' section describes the journal as an open access, peer-reviewed journal focusing on occupational and environmental medicine. On the right side, there is a logo for the Official journal of KSOEM, a 'Submit a manuscript' button, and links for 'Submission Guidelines', 'Editorial Board', and 'Sign up to article alerts'.

# Springer Author Academy

The screenshot shows the Springer Author Academy website. At the top left is the Springer logo. To its right is a search bar with a magnifying glass icon and a settings gear icon. Below the search bar is a navigation menu with links for Home, Subjects, Services, Products, Springer Shop, and About us. The main content area is divided into two columns. The left column has a section titled "Authors & editors" with a list of links: "» Book authors & editors", "» Journal authors", "» Journal editors", "» Author Academy", "» MySpringer profile", and "» Author newsletter". Below this is a "MySpringer for authors" section with a login form. The form includes the text "Please log in to track the publication status of your book or article and enjoy free access to your book. For authors: Request password", an "Email Address\*" field, a "Password\*" field, and a "Log in" button. The right column features a large heading "Partner with Springer and publish with confidence". Below this is a paragraph: "Selecting the right publisher is one of the most important decisions an author will make. At Springer, we recognize that our authors are the heart of what we do and we are committed to providing the resources, support and advice you need to help you succeed." This is followed by another paragraph: "Our team of knowledgeable professionals will guide you from manuscript to distribution, when your book will be available in print and in all formats for mobile devices." Below this is another heading "At Springer, you are in good company... and in good hands!". The final paragraph reads: "A leading STM publisher for over 170 years and home to many of the world's foremost researchers, including more than 200 Nobel laureates, we combine a firmly established reputation with a dedication to cutting edge digital development."
